Kalahari Desert Camp

“A small intimate camp in the heart of Kalahari”

Kalahari Desert Camp

Kalahari Desert Camp is situated on the north-eastern side of the Central Kalahari Game Reserve in a private wildlife reserve of some 15 000 hectares.

Kalahari Desert Camp is a small, intimate camp catering for just 12 guests, offering privacy and an exclusive experience of this wonderful landscape.

A well-appointed dining area, lounge, swimming pool and viewing deck overlook an active waterhole.

Accommodation is in 6 large meru tents, elevated on platforms. Each tent is tastefully furnished with either twin or double bed configurations, a relaxation area and en-suite bathrooms with al fresco showers.

Kalahari Desert Camp is a land camp offering: game drives and night drives. The game experience is enhanced through off-road operating – key to delivering a quality Kalahari game viewing experience with its vast open areas.

The camp is serviced by Shadow-view airstrip - only a 45 minute flight from Maun, or by 4x4 vehicle from Maun.

Kalahari Desert Camp

At Kalahari Desert Camp we are able to offer a full spectrum of activities - day drives, night drives and bush walks with guide and tracker.

Due to the proximity to the entrance gate of the Central Kalahari Game Reserve (CKGR), we are also able to offer both full day trips into the CKGR as well as overnight camping trip. Literally the best of both worlds – an exclusive reserve combined with the magic of the CKGR.

“Different areas of Botswana have unique cultural identity. Kalahari Desert Camp by virtue of its location offers a cultural interaction with the Herero tribe who own cattle posts just outside the boundaries of the concession. Visitors get to experience the Herero herds women milking their cows and learn their way of living including the preparation of traditional yogurt, singing and dancing traditional songs”

At Kalahari Desert Camp we focus on four main groups of activities:

- Day and night drives
- Guided walks
- Day visits to the Central Kalahari Game Reserve
- Sleepovers into the Central Kalahari Game Reserve

You can combine any of our camps and lodges with Kalahari Desert Camp, however some combine better than others as they are similar in terms of pricing and experience. They are:

Oddballs Enclave - Chief's Island Area - walking and mokoro.

Meno a Kwena - Western side of the Makgadikgadi National Park - game drives, guided walk, day visits to Nxai Pans and Makgadikgadi Pans areas
